Forecast For West Midlands
Issued by Met Office Exeter
at 1600 on Tuesday 28 Sep 2021

++ Valid for broadcast between 1800 and 0600

Headline:
A dry night with long clear spells.

This Evening and Tonight:
Rain clearing early in the evening, leaving a mostly dry night with long clear spells in the early hours, though the chance of a few showers in the north and west. Minimum temperature 6 deg C (43 deg F).

Wednesday:
Sunshine and showers through the day, remaining dry for most with long sunny spells. Breezy, particularly in the afternoon. Maximum temperature 15 deg C (59 deg F).

Outlook for Thursday to Saturday:
Unsettled, with strong winds and outbreaks of rain, some locally heavy, throughout this period, interspersed with sunshine and showers.
